**Re: Modernizing the E-Rate Program for Schools and Libraries, WC Docket No. 13-184; Schools and Libraries Universal Service Support Mechanism, CC Docket No. 02-6**

Dear Ms. Dortch:

On July 25, 2013, Barry Ohlson, Vice President, Regulatory Affairs of Cox Enterprises, Inc., and the undersigned met with Priscilla Argeris, legal advisor to Commissioner Rosenworcel. We discussed Cox Communications, Inc.'s ("Cox") relationships with schools and school districts to provide E-Rate services as well as to promote broadband adoption through low-cost programs such as Connect2Compete. We provided information on the types of high-speed broadband services that Cox has provided for school districts in its footprint. We also discussed how the application process could be improved by increasing the application window to allow for revisions and corrections.

Pursuant to Section 1.1206 of the Commission's rules, a copy of this letter is being filed with your office via ECFS. Courtesy copies will be distributed to the legal advisors via email.

Respectfully submitted,
